

PVS is allowed 2 swims for each event regardless of whether an athlete qualifies for that event or even qualifies for the meet. The following list identifies the events where PVS is short on their allotted entries. If the head coach, Chris Huott at [chrish@erols.com](mailto:chrish@erols.com) gets more requests to swim than the number of spots opened for an event, the spots will go to the fastest swimmer(s). **Requests must be received by NOON Thursday, August 5.**
