2007 PVS Short Course Champs Officials Assignments Draft: **Revised March 6, 2007** Evaluation Requested (**In Red**)

Note: officials requesting new or recertification at the N2 Level should be familiar with the requirements for the position they are requesting. Where it is apparent in the request, every attempt has been made to meet the requirements for positions worked. Please let Jim Van Erden at jim.vanerden@cox.net or jvanerden@dtihq.com know if your requested sessions or venues are incorrect or if you wish to be reassigned a position to satisfy the requirements.

The requirements also need to be met over two qualifying meets. Note: the next qualifying PVS meet will be LC Senior Champs in July.

Officials who have not sent a formal request are still encouraged to do so. Thanks to all of you who have signed up.
