- No swimmer drop off is permitted at the entrance to Oak Marr. Parents and swimmers must park in the designated spots and walk in from the lots. **NO EXCEPTIONS.**
- No one may park or stand in the fire lanes at Oak Marr – the parking lots will be patrolled by the Fairfax County police department and cars will be ticketed and towed.
- Only coaches are permitted to bring chairs on the pool deck, swimmers will be asked to remove chairs immediately.
- Teams are responsible for cleaning up their team areas after each session.
- A snack bar will be available during the meet.

Attached are the psych sheet and estimated timelines for Saturday and Sunday (Friday's sessions are entirely positive check in, if everyone shows we are looking at about a 9:00 pm finish). Changes but no additions may be submitted until Monday, April 4th at 5:00 pm. I will email out warm up assignments early next week.

Please pass on the above information on to your attending families.
