

PVS Webmaster's/Technology Report

November 10, 2008

Most of the work during the month of October was related to the swim meets. The primary problem is getting the meet database from the meet directors after the meet. Terri is going to start reminding them of their responsibilities in that area.

The PVS Scholar Athlete list for 2007-2008 was announced. Several items were released from USA Swimming including the Top-10 Lists, the USA-S Scholar Athletes and the 2009 national teams. Three PVS swimmers (M. Benecki, B. Fox, and K. Pawlowicz) made the National Junior Team.

Club Officials Chairs Document: This document on the duties of the club officials chairs was posted on the website and sent out to the club officials chairs email list in October.

Email Lists: Lists up on the new server are now set up for Flash, ExecBoard, BOD, OfficialsCommittee, OfficialsChairs, Coaches, Officials, Starters, and Referees. Some of them are set up for self subscription and un-subscription.

LSC Portal on USA-S Website: The PVS portal is now set up:
<http://www.usaswimming.org/USASWeb/DesktopDefault.aspx?TabId=1082&lscid=PV>
Once it is set up, it can be used to easily maintain LSC open and resident records.

Website Statistics: The statistics for pvsweb.org for October 2008 are attached. They are pretty much the same as this month last year.

Major Tasks Still Pending: A Meet Directors page, a Privacy Policy, and editing the Wikipedia article. I also have some more cleanup to do on the Officials pages.
