

**Age Group Chair Report: Bill Marlin
December 2008:**

- 1) All Eastern Zone LC Champs and Open Water medals have now been mailed out.
- 2) Still waiting on cuts to be released for B/BB champs meet.

**Senior Chair Report: Riley Eaton
December 2008:**

No actionable items.

Sr Champ cuts have been established as well as cuts for Jr Champs. Due to very different circumstances from 2000 both meets are somewhat of a guess. We still had a number of athletes that would have been too slow for Juniors and too fast for B/BB. Based on e-mail dialogue it is my recommendation that the B/BB meet cuts be altered to include the remainder of the athletes.

There still is no meet referee for Sectionals. Boots continues to be looking for a good candidate with the hopes of finding someone from outside PVS.

I will be working with Pete Barry (zone) regarding the proposed meet for the summer set up at the convention. Suggestions are welcome.
