

Action Items-

- Approval of club application for PAC Club application
(MOTION & VOTE REQUIRED)
- Motion to approve the submitted Policy and Procedure package sent out in early January.
 - The P&P document that you are being asked to approve is intended to encompass policies and procedures that have been approved over the years by the current or past Boards. If, as a result of further review, the document is determined to contain errors or omissions, correction of the document to comply with past Board actions will be deemed administrative in nature. The correction of errors or omissions in the document will not require a vote of the Board since any changes will be intended to clarify or correct the document to accurately represent actions already taken by the Board.

Housekeeping Items-

- As of the March 2011 registrar reports we have 9,387 registered 2011 athletes in Potomac Valley Swimming.
- As of February 12, 2011- 69 Non- athlete registrations expired due to not completing the USA Swimming background screening.

The breakout of this number is as follows:

49 Officials
2 Official, other
18 Other

This number is significantly lower than we anticipated.

- We have another 194 registrations that will expire on 4/30/11. Most of these are coaches who have a 4/30/11 deadline to complete the new screening process.

The breakout of this number is as follows:

1 Official
15 Other
177 Coaches
1 Coach, other
