

Officials Report to the Board

March 2011

This is a very busy time for all officials. The officials were pleased with the Sr. Championships. The size was great. Having the Junior meet at the other end of the pool and then integrating the finalists seemed to work just right. Evaluations went smoothly with Pat Lunsford as the Lead Evaluator. The officials really appreciated his coming and his comments. The only complaint I heard was from a parent whose swimmer placed outside the top 16 and wanted 3 heats of older kids and only 1 heat from the junior meet. I'm sure he would have been happy if his swimmer had placed in the top 16 instead.

I can't report as yet on the JO meet.
