

Potomac Valley Swimming Technical Committee Report

January 9, 2012

The PVS Technical Committee had the following activity last month.

Meet Announcements - The Technical Committee has been working with the PVS Administrator on the meet announcements for the SC Senior Championships and the 14&U Junior Olympic Championships meets.

Online Meet Entry (OME) for SC Senior Championships - The OME for SC Senior Championships is not set up and ready. I had Josh Fowler at USA-S look it over to make sure it was done correctly. It is ready for the entry period to open on January 30th. The OME for SC Junior Championships will be done in the coming weeks.

Junior Olympic Qualifiers - The spreadsheet showing the JO qualifiers has been updated to include all the meets through December. The data indicates the meet should not be any larger than last year. But, it may also be not that much smaller. The spreadsheets will be updated after the January and February meets. I acknowledge the work of Jim Thompson on processing the data.

Comments and suggestions are always welcome.

Tim Husson
Chair, Technical Committee
