

# Potomac Valley Swimming Webmaster's/Technology Report

January 9, 2012

## Webmaster

It was a nice break to have several weeks in December with no swim meets. Below are a few of the highlights of activity for the last month.

**PVS Top Times Lists** - I posted the first lists of the year with PVS Top Times. These lists follow the USA-S single-age Top Ten Lists format. I also have a 10&U list included by popular demand.

**2012 USA Swimming Club Excellence Program** - Four PVS clubs were recognized by USA swimming this year: Gold - CUBU, RMSC, FISH, Silver - MACH.

## Technology

I repaired two Colorado Infinity starting units (dead batteries) and returned them to the PVS inventory. Another Infinity unit was repaired in November by Sergio Nirenberg (volume switch replaced).

Comments and suggestions are always welcome.
