

Potomac Valley Swimming Webmaster's Report

October 16, 2013

Most of the website activity over the last two months has been the normal early season flood of information.

- All the new 2014 Registration documents have been posted and linked.
- Terri Marlin is posting meet announcements as soon as they are received and have been reviewed by the Technical Committee.
- Updated Officials Training documents have been posted for the Officials Committee. The schedule of PVS Officials Clinics has been kept up-to-date.
- Issue one of the General Chair's Newsletter has been posted.

Based on some ideas I got from attending the USAS Convention, the following two changes were made to the website.

- Information was presented that more visitors to the website are non-members than members. So, a prominent "Find a PVS Team" button was added to the home page.
- I opened a PVS Twitter account (@PVSwimming). Any tweets to this account will also be posted on the PVS Facebook page.

Comments and suggestions are always welcome.
