On October 9, I made a site visit to the PWCS Aquatics Center and signed a contract for PVS to use it for the PVS November Open. We will also be using it for the 2018 January Open. They opened one year ago and have hosted many high school meets. This will be their first USA Swimming meet.

#### Email Lists

To make it easier to electronically conduct PVS Board Business, there are two closed email lists.

[pvs-executive-board@googlegroups.com](mailto:pvs-executive-board@googlegroups.com) includes voting board members only and can be used for e-votes and closed-session business

[pvs-bod@googlegroups.com](mailto:pvs-bod@googlegroups.com) includes all board members and other committee members and can be used for general board business

For both of these lists, if you change email addresses, please make sure you let me know so you can stay on the list.

### **Administrative Division Priorities for the 2017-2018 Season**

I spent considerable time at the USAS convention talking to Admin Vice Chairs from other LSC for advice and ideas. Looking forward, my priorities this season, in order are:

1. Bring the PVS Bylaws up to date
2. Clean up and bring the PVS Policies & Procedures Manual up to date.
