

PVS Webmaster's/Technology Report
March 1 - 31, 2008

April 7, 2008

Website Statistics: See attached sheets for statistics from pvsweb.org and pvsweb2.org. The three major meets in PVS in March (JOs, SC Champs and Sectionals) accounted for a lot of the traffic. March has generally been the month with the most website traffic.

Technology at Championship Meets: The following is the summary of networking and/or real-time results at the major meets in March.

Junior Olympics: I was able to get the hard-wired network with the three Vista computers working. I could not get an external internet connection at Fairland for real-time results. I was told by MNCPPC technical personnel that with sufficient lead time they could set up a wireless network for us. We may want to try that for LC Age Group Champs.

Short Course Champs: I set up the PVS wireless router at the PGS&LC. The Hy-Tek networking worked well, and the real-time results worked great. We also had additional computers for the meet director and the meet referee on the internet, as well.

Sectionals: We used the UMD wireless network, with login credentials they provided. The Windows networking required for Hy-Tek database sharing did not work. It is likely that they block that capability at their access point, although I didn't have time during the meet to pursue it further. Real-time results worked well. Internet access was also used by the meet referee, admin referee, chief judges and meet director.

New Pages: I created pages for Officials Newsletters and Officials Recognition. I've also created the pages with the Parents FAQ and Swim Glossary. They will go live on the PVS Parents Page in April.

Web Site Cleanup: Pages still at the top of the list for cleanup are the Records, Time Standards and Qualifying Times pages. I also have some additional work to do on the Officials pages as identified by the Officials Committee.

Meet Directors Page: No work was done on this proposed new page. I received some material from board members, but could use some help with this page.

Pictures: A picture of Boots Hall graced the home page for several weeks. I'd like to post occasional swim meet pictures on the home page (e.g. a picture of the week). No individuals would be identified in the photos. I need people to send me pictures (random swim meet shots) for this to happen. I will probably post a notice on the home page asking for pictures.

Privacy Policy: I have not made any progress on this.

Website Policy: I've gotten requests to post notices on the PVS website from various entities. I'd like to get board direction on the policy for these types of requests. Attached is the current policy from P&P.

Tim Husson

A-14. Webpage Policy

Adopted by PVS Board of Directors -- November 15, 1999

<

Amended March 3, 2003 to allow additional meet announcements and summary of coaching vacancies to be posted

Mission: The goal of the PVS Homepage is to provide timely, comprehensive, and accurate information via a website that is available on a continuous basis. Its content shall be pertinent to Potomac Valley Swimming community (including its registered athletes, non-athletes and interested family members and friends.)

Governance: - Within the general policies stated here, the Configuration Committee will provide supplemental guidance when needed to the Webmaster regarding the appropriateness of newly proposed content for the website for which a precedent has not been set. They shall also make recommendations regarding possible changes to the PVS website as a result of changing needs or interests of the PVS swimming community and as a result of changing technology.

The Configuration Committee's membership, at a minimum, will include the Administrative Division Chairman, Communications Committee Chair, the Webmaster, and a representative from the PVS Administrative Office. Additional personnel may be appointed by the Administrative Division Chair. The Committee shall choose its chairman from its membership by election.

Content: The following are guidelines for the PVS webmaster to use in determining whether it is appropriate to post an item to the PVS website without prior consultation with the Configuration Committee.

- Meet results, including individual sessions as appropriate, once they are considered official as evidenced by the Meet Director releasing the disk.
- Results of all PVS sanctioned, approved and observed meets may be posted when provided in electronic form to the webmaster. The webmaster may also post links to non-PVS meets likely to be of interest to the PVS swimming community. Priority of posting will be for PVS sanctioned meets.
- Searchable data base of times by swimmer's name and by stroke and distance shall be maintained. The contents of the searchable data base shall be limited to times from sanctioned meets conducted within PVS's boundaries and swims by PVS swimmers in other USA Swimming and FINA sanctioned events.
- Meet results shall be maintained on the PVS website at least 2 years.
- Psych sheets and/or expected session timelines for distance meets and distance events within other meets may be posted. Psych sheets for other events/meets may be posted when requested by the Competition Division Chair, Age Group Chair, Senior Chair or Distance Coordinator.
- Meet announcements for meets sanctioned by PVS, except dual and tri meets .
- PVS competition schedule as approved by the Competition Committee, (as well as other meets sanctioned by PVS).
- Records Section will only be updated following confirmation by the Records Chairman that a record has been set. However, unofficial record swims may be highlighted.
- Approved PVS forms following coordination with the Administrative Office.
- Newsletters (e.g. PVVoices), general correspondence , minutes, meeting agendas and similar items received from the PVS Administrative Office, BOD members, or committee chairs, whenever requested.
- PVS Policies and Procedures Manual, PVS By Laws, the PVS Resource Lists, PVS

- PVS Policies and Procedures, Manual, PVS By-Laws, the PVS Resource Lists, PVS organizational structure, Board and Committee chairs and members, etc.
- Links to websites of interest to PVS athletes.
- List of PVS member clubs and summary information about them.
- Information (including driving instructions) about swimming venues used by PVS and other meeting locations used for PVS purposes.
- Information about significant honors and accomplishments achieved by PVS athletes and non-athlete members.
- Special articles of interest to the PVS community so long as written from a PVS or non-club perspective.
- Information about club events that are likely to be of interest or significance to the PVS swimming community.
- Links to PVS club websites and other swimming related websites (in particular other swimming related organizations located within PVS's boundaries) and other swimming sites likely to be of significant interest to the PVS swimming community.
- Summary listing of coaching vacancies within PVS upon request from PVS clubs.

Exceptions to these policies may be approved by the General Chairman or the Administrative Division Chairman. They may seek the advice of the Configuration Committee in making such determinations.
