

Report of LEAP Status

In late October 2010, PVS completed the required information to be able to submit for LEAP status 1 with USA Swimming.

In January 2011, PVS was contacted by the LSC Committee regarding our submission. They have some area they would like us to provide them further information on. In addition an approved updated version of our policy & procedure manual was requested. We have continued to work on the additional information and we anticipating re-submitting our LEAP package by June 2011.

Respectfully Submitted By:

Paris Jacobs
