HOUSE OF DELEGATES MEETING
MAY 23, 2007**

Eastern Zone Meeting – May 12, 2007 Portland, Maine
Age Group Development Committee

The committee continues to work on improving communication with LSC Age Group Chairs. We continue to ask the question, “Does your LSC have a definition of Age Group Swimming”? Only 34% of the LSCs do. We are starting to work on get the word out more at the IMx program, and other programs to help build the base. We are also looking for ideas on how IMx meets are working in your LSC. We also talked about changing Top 16, to Top 10 for each age; 10 & under, 9, 10, 11, 12... etc. If you have anything you would like us to work on, please let Michael Brooks or me know.
