

Potomac Valley Swimming Update – Friday, May 7, 2021

Safe Sport Club Recognition - As you can see from the data below presented at the Zone Workshop on May 1, Potomac Valley Swimming is doing relatively well in Safe Sport Club Recognition. But, there are still more than 20 PVS clubs that have not achieved this recognition, which means we can do better.

Since Safe Sport Club Recognition is renewed every two years, we've already had several clubs go through the renewal process. Kudos to FISH, FXFX and ASA for their continuing commitment to keeping our athletes safe.

Safe Sport Club Recognition Training - Part of the requirement for Safe Sport Club Recognition is Athlete Protection Training attendance by parents and athletes (12&O). This training can be taken individually on the [USA Swimming website](#). USA Swimming staff also provides some in-person virtual training that allows for interaction and questions from the attendees. You must register in advance for this training using the following links.
