

## **Potomac Valley Swimming Update – Tuesday, July 27, 2021**

This will be my last update of the 2020-2021 season and I'd like to thank all PVS members and their families for making the season happen during the COVID-19 pandemic.

I'd first like to thank the PVS Board for their hard work to manage the LSC through this season. I'd also like to thank the Technical Committee for their great work guiding our Meet Directors through the safety protocols for our competitions. The Meet Directors successfully managed the sometimes difficult restrictions to put on competitions for our athletes. The coaches did a great job managing the lane restrictions and schedule changes to get our athletes back in the water. I thank the officials, timers and all the other volunteers for making our competitions possible. Finally, I'd like to thank all the PVS athletes and their families for following the COVID-19 protocols at practices and competitions to prevent transmission of the virus.

It got hot and more difficult to wear the masks during the summer, but we all complied and came through the season in good health. I hope we can get back to our regular meets with spectators.

I wish good luck to all PVS athletes competing the next few weeks at Futures, Age Group Zones, Senior Zones, Summer Championships, and other meets.

Stay safe! Stay healthy! Socially Distance! Wash your hands frequently. Get the vaccine when it's available to you. And, continue to wear your mask if you are not vaccinated and when required by your club or facility!
