

Potomac Valley Swimming
Board of Directors
October 15, 2020
Electronic Vote

Since the PVS-hosted and club-hosted meet schedule approved in January has been suspended indefinitely due to COVID-19 and in order to give smaller PVS clubs the opportunity to compete during this time, the following motion was proposed. Current policy requires any meet consisting of more than three teams to be on the PVS schedule approved by the Competition Committee and the Board. Current policy also requires the meet announcement for such meets to be submitted 30 days prior to the entry deadline for sanctioning. The policy for tri, dual and intrasquad requires submission of the meet announcement 5 days before the meet.

PVS will allow the sanctioning of club-hosted meets of more than three PVS teams, subject to USA Swimming Rules, PVS Policies, and all the current sanctioning requirements in place for tri, dual and intrasquad meets. This temporary policy will be in place until 31-Dec-2020. The PVS Board will review, at that time, to determine an extension to and/or modification of this temporary policy until PVS can resume the normal approved schedule of competitions.

By electronic vote on October 15, 2020, the motion was **APPROVED**.
