### **Age Group Meet**

***Disclaimer this is how Sothern Zone decided to run their meet.***

*This is an all-star meet with each LSC limited to the number of athletes they can bring. Each LSC picks their zone team by their own procedures. They may bring 6 swimmers in addition to their regular team who have a disability according to the requirements stated below.*

### **DISABILITY ENTRIES**

Each LSC may bring up to six (6) swimmers; three (3) boys and three (3) girls with disabilities who are 11 to 18 years of age; selected in any manner deemed appropriate and assisted by the Southern Zone Adapted Swimming Coordinator, if necessary. Swimmers' disability must satisfy the definition of a disability as outlined in USA Swimming Rules and Regulations: a permanent physical or mental impairment that substantially limits one or more major life activities. These swimmers with disabilities are in addition to the

permitted forty-eight (48) swimmers and are not required to meet the time standards for their age group/events, however, they must provide a time for each event they enter. Swimmers with disabilities may compete in finals, earn awards and score points for their team in the same manner as the able-bodied swimmers. Each swimmer is limited to six (6) individual events for the meet with no more than three (3) events per day. Entries for swimmers with disabilities should be submitted on the attached entry form indicating preference for seeding and highlighted on the hard copy of the LSC's meet entry. Shorter events that are not included in the listing for each age group may be requested. (Such events may be swum with longer events or other age groups during preliminaries, but will be swum separately in finals, possibly combined by gender and stroke and considering intervals between swims. It is the responsibility of the swimmer, or his/her coach, to inform the Meet Referee of any disability related accommodations he/she may need to compete. This information must be given in advance of the meet. Failure to provide advance notice may limit the host's ability to accommodate requests.

USA-S swimmers with a disability for one event and Bonus Time Standards for up to 3 bonus swims in the self-reported ability placements (P1, P2, and P3).

The ability standards are provided as a means to place swimmers with similar impairments into general groups and provide the appropriate nationally recognized. time-standards as a qualification for entry. Inclusion in any one of these groupings will be athlete/coach-reported and any questions should be referred to the host LSC’s Disability Chair (or, if the host LSC does not have a designated Disability Chair, the Disability Chair for the athlete’s LSC) for clarification.

### **Grouping Descriptions for USA-S swimmers with a disability**

**P1** - non-ambulatory (wheelchair-bound): limited use of all four extremities

**P2** - dwarfism, multiple limb deficiencies, ambulatory with assistance, can be wheelchair-bound with a high functioning upper body.

**P3** - single limb deficiencies, visual impairments, and intellectual impairments, ambulatory without significant assistance

**B.** Swimmers with a disability will be given the designation of D-2.

### **Conduct of the meet for swimmers with a disability (D-2)**

1. D-2 Swimmers will swim events based on the meet format/order of events for the meet. Any additional swims may be swum at time trials providing time trials are offered and at the discretion of the host team.

2. D-2 Swimmers will swim preliminaries during their respective event, or paired event and

seeded by time. Preferred seeding is in the swimmer's entered event at the same distance with their equivalent non-conforming time to ensure seeding in the initial heats.

**3** D-2 Swimmers in distance, timed-final events where they are the only D-2 athlete entered will have the option to complete their swim in the morning heats so as to avoid having to final on their own in the evening (as, being the lone entrant into their event, they'd be considered top-8 and would need to swim accordingly). The meet host should address this matter with the athlete/coach once all entries have been finalized to determine the athlete's preferences.

4. D-2 Swimmers will swim a separate final for each of the championship events, which may include a combination of male and female athletes not to exceed one full heat of finalists per event.
5. D-2 Swimmers will score points and be awarded and recognized in the same fashion as the D-1 swimmers.
6. D-2 Swimmer final events may be combined if the total number of finalists does not exceed one full heat of competitors.
7. The D-2 finals heat will precede the respective D-1 heat. Similarly, the D-2 awards will be handed out before the D-1 awards for each event.

**Note:** This format may be modified by the Zone Championship Meet committee to best accommodate the swimmers with a disability and allow for a more efficient timeline.

### Accommodations:

Coaches entering swimmers with disabilities that require any accommodations, including the needs for personal assistants and/or registered service animals must provide advance notice in writing, accompanying their meet entry file, to the meet director by the entry deadline.
