

# Officials Committee Report to the PVS House of Delegates

May 2025

*The Officials' Committee is authorized and obligated to recruit, train, test, certify, evaluate, retest, recertify, and supervise officials for PVS.*

## **Number of Certified PVS Officials (as of April-May 1 each year)**

2019	529
2020	505
2021	386
2022	394
2023	452
2024	515
2025	566 (all in good standing) plus 14 with either APT or BGC expired

There are currently 102 officials who are registered as officials but have not yet completed certification requirements.

## **Training, Testing and Clinics 2024-2025**

With the implementation of standardized certification requirements, certifying/recertifying clinics and testing is primarily done by USA Swimming. Effective 4/1/24, Stroke and Turn clinic/testing became USA Swimming-based. Effective 10/1/24, Starter and Administrative Official clinic/testing became USA Swimming-based. Effective 4/1/25, Referee clinic/testing became USA Swimming-based. PVS continues to offer Chief Judge clinics and any supplementary (but not required) clinics.

As of 2/1/24, certification for Computer Operator and Timing System Operator ceased to exist. These positions no longer require membership in USA Swimming. PVS has maintained our web-based programs as voluntary training programs and hope that there will be continued interest in becoming proficient at

these skills. In addition, separate meet referee certification no longer exists. All certified referees may act as meet referees.

Since 2/1/24, we have had 7 officials complete training and evaluation for Timing System Operator and 3 officials complete training and evaluation for Computer Operator. Note that a club may request a \$200 reduction in the fine for each volunteer who is not a certified official but who has completed the computer operator training program or the electronic timing system training program (including evaluation) during the year OR who has worked as a CO or TO at least 3 sessions per year.

### **Clinics since 5/1/24**

Clinics	# of clinics	PVS Initial	PVS Recerts	Non-PVS Initial	Non-PVS Recerts
Stroke & Turn	0				
Starter	1	20	9	1	0
Chief Judge	4	50	9	18	10
Referee	2	44 total		24 total	
Admin Official	1	25 total		6 total
