## October is Bullying Prevention Month

With October being Bullying Prevention Month, it is the perfect time to freshen up on FREE USA Swimming Safe Sport resources.

- The [Coaching Boys Into Men](#) and [Athletes As Leaders](#) conversation cards allow coaches to conduct brief weekly (or monthly) conversations around scenarios.
- Make sure your USA Swimming member club has an Action Plan to Address Bullying. If you need an example, USA Swimming Safe Sport provides a model policy [here](#) (also available in Spanish).
- Sometimes reported issues are peer to peer. Does your club have a guide to address these reports? See USA Swimming's Safe Sport [Guide: Peer to Peer](#) for more insight on how to get started.

- Posters are a great way to make sure all athletes are safe. Some [examples](#) USA Swimming Safe Sport provides include No Cameras, Locker Room guidelines and Reporting.
- The 2021 Safe Sport Leadership Conference hosted amazing guest speakers who spoke on topics of Adverse Childhood Experiences, Cultivating Resiliency & Overcoming Obstacles, Why Trauma Informed Sport is Vital and Suicide Awareness and Prevention. ## 2022 SSRP Trainings

Safe Sport is committed to creating a healthy environment that is free from abuse for all members. As we continue with virtual learning opportunities throughout 2022, we will be increasing security measures to keep parents, athletes and coaches safe during trainings. **All trainings will require individuals to register ahead of time.**

In addition, we have enhanced our Safe Sport Trainings' security measures and will have the following in place:

- Meetings will be locked

- Athlete attendees will only have access to chat with hosts
- Multiple USA Swimming Safe Sport staff will be on all trainings and will monitor participant video share
- Frequent check-ins with attendees
- Screen share and annotation capabilities will be disabled
- Meetings will require registration and athlete training registrations will be cross-checked with USA Swimming member records
- USA Swimming has enabled the At-Risk Meeting Notifier tool from Zoom. This tool searches the public internet for Zoom meeting information and checks the meeting's security settings. Zoom notifies USA Swimming if a meeting appears to be at high risk for being disrupted. This tool is enabled for all USA Swimming hosted Zoom meetings.
